functions with regard to her participation in the civil conspiracy and resulting improper conduct toward Plaintiff.

FACTUAL BACKGROUND - INCIDENT 1

17. On or about August 21, 1998, Plaintiff received a phone call from an employee of the City of Santa Fe assigned to work at city hall requesting Plaintiff to come to city hall for the purpose of picking up a letter addressed to him without disclosing the contents to Plaintiff.
18. Plaintiff had been a consistent critic of the manner in which city government operates. Plaintiff's criticisms have been met with anger and ridicule by officials of the city administration.
19. Plaintiff was a long-time city employee who has now retired but was cited by the City for his extraordinary service while employed.
20. Plaintiff was well known by employees at city hall and by all of the defendants.
21. Plaintiff went to city hall as per the invitation by city officials only to be handed a letter requesting that he not be on the premises at city hall and stating that his presence was unwelcome.
22. Plaintiff questioned why the letter had been written but did not receive an explanation.
23. Plaintiff asked to speak to the author of the letter and was told that he was not at city hall.
24. Plaintiff then asked to talk to someone in authority that could explain the letter to him.

25. Plaintiff was told that no one in authority was present at city hall on that afternoon.
26. Plaintiff, understandably, became upset at the lack of justification for the letter after having been invited to city hall to pick it up.
27. Plaintiff considered it to be his first amendment right to be at city hall and to criticize both elected and appointed officials.
28. Defendant Phil Fernandez ("Officer Fernandez") was called to the location of Plaintiff by City Officials for the purpose of maintaining public order and removing Plaintiff from the premises.
29. Plaintiff had a right to be on the premises as a taxpayer and citizen of the City of Santa Fe as well as an invitee.
30. Officer Fernandez acted in the capacity of a law enforcement officer in detaining and forcibly removing Plaintiff from the premises on behalf of the City of Santa Fe.
31. Upon information and belief, the principal duties of Officer Fernandez were to maintain public order at city hall.
32. Officer Fernandez, at all times relevant herein, was operating within the scope of his duties as a law enforcement officer.
33. Officer Fernandez was not adequately trained as a law enforcement officer to maintain public order and, more specifically, to deal with a situation such as removal of Plaintiff from the premises at city hall.
34. While physically removing Plaintiff from the premises, Officer Fernandez began verbally abusing Plaintiff and threatened him with physical harm.

35. At all times relevant hereto, Officer Fernandez was not adequately supervised by qualified law enforcement officials.
36. Officer Fernandez is significantly larger in physical stature than Plaintiff.
37. Plaintiff, angered by the manner in which he had been treated by city hall officials and the verbal abuse by Officer Fernandez, grabbed at Officer Fernandez's badge while being involuntarily removed from the premises.
38. Officer Fernandez responded with excessive physical force.
39. Officer Fernandez responded by attacking Plaintiff, placing him in a headlock, running his head into a metal door jam, and throwing him to the ground.
40. The use of excessive force by Officer Fernandez was witnessed by others.
41. Without regard to Plaintiff's rights, the testimony of witnesses or the assault and battery upon Plaintiff by Officer Fernandez, Officer John Doe I (Badge Number R1565) fixed the blame on Plaintiff and unlawfully and without probable cause arrested Plaintiff for "Battery (Disorderly Conduct)" pursuant to Section 20 - 2.1(A), Santa Fe Municipal Code.
42. Plaintiff was handcuffed and transported to the City of Santa Fe Jail.
43. Plaintiff is epileptic and must always have medication with him for that condition.
44. Plaintiff, without the benefit of medication, has the potential of harming himself severely.
45. As a result of his medical condition, Plaintiff does not drive.

46. This lack of mobility makes it all the more important for him to keep his medication with him.
47. Upon arrival at the jail with Officer John Doe 1, Jail Officials, John Doe 2-4, confiscated his medication and denied him access to it.
48. Plaintiff advised Jail Officials, John Doe 2-4, that he could not be without the medication.
49. Without regard to that warning, Jail Officials, John Doe 2-4, continued to deprive Plaintiff of his medication.
50. Plaintiff experienced an epileptic seizure while in the jail cell as a result of not having his medication and despite his plea for medication, Jail Officials 2-4 continued to deprive him of that medication.
51. Fortunately, Plaintiff was not seriously injured as a result of the deprivation of medication.
52. Jail Officials 2-4, Santa Fe Police Department, the City of Santa Fe, and all future jail officials that might come into contact with Plaintiff were on notice of his serious epileptic condition and his need for medication.
53. After release from incarceration, Plaintiff's charges resulting from the August 17, 1998, incident were to be tried in the Municipal Court before Judge Frances Gallegos.
54. Plaintiff was looking forward to his constitutionally guaranteed opportunity to confront his accusers and a forum in which to exonerate himself from the charges against him.

55. On or about January 31, 1999, Judge Frances Gallegos, *sua sponte*, transferred the criminal complaint against Plaintiff to district court without stating a reason for that action and without notifying Plaintiff's counsel of record or the attorney prosecuting on behalf of the City of Santa Fe.
56. The district court dismissed the charges resulting from the August 21, 1998 incident against Plaintiff.
57. The City of Santa Fe has appealed that dismissal.
58. The Court of Appeals has proposed summary affirmance of that district court dismissal.

FACTUAL BACKGROUND - INCIDENT 2

59. On or about February, 2000, Plaintiff was arrested again by law enforcement officials of the City of Santa Fe, John Doe 5-7.
60. A hearing on that matter was set.
61. Notice of the hearing to Plaintiff by the Municipal Court was sent by mail to the wrong address.
62. The Santa Fe Municipal Court knew or should have known the correct mailing address for Plaintiff.
63. Plaintiff did not receive the notice.
64. Plaintiff, not having received notice of the hearing before Judge Frances Gallegos, did not appear at the hearing.
65. Upon information and belief, Judge Gallegos issued a bench warrant for Plaintiff's arrest based upon the failure to appear.

66. Upon information and belief, Judge Frances Gallegos is a candidate for re-election as Municipal Judge.
67. As a candidate for Municipal Judge, Judge Frances Gallegos attended a candidates' forum.
68. Plaintiff attended that forum and was very critical of Judge Frances Gallegos for her conduct in his cases and specifically pointed out to her that his hearing notice had been mailed to the wrong address.
69. Upon information and belief, Judge Gallegos requested of the Santa Fe Police Department that Plaintiff be immediately arrested on the outstanding bench warrant in retribution for Plaintiff's criticism and despite her knowledge that the notice of the hearing, which was the basis of the bench warrant, had not been properly served upon Plaintiff.
70. Upon information and belief, Judge Frances Gallegos did so after being angered by the criticism by Plaintiff.
71. Plaintiff was arrested the very next day in downtown Santa Fe on that bench warrant by Officers John Doe 5-7.
72. Upon information and belief, the general custom and practice of the Santa Fe Police Department is not to pursue bench warrants in a timely manner.
73. Plaintiff was handcuffed and taken to the City of Santa Fe Jail by Officers John Doe 5-7.
74. Plaintiff requested to call his family and attorney and was denied access to a telephone.

75. Jail officials knew or should have known of Plaintiff's need for medication for his epilepsy.
76. Jail officials, John Doe 8-10, with full knowledge of Plaintiff's need for medication and despite Plaintiff's request for medication, denied such medication.
77. Plaintiff had a serious epileptic seizure in which he could have been seriously injured.
78. Plaintiff's dire circumstances were witnessed by others.
79. Only after the seizure subsided did jail officials give Plaintiff medication.
80. Despite the obvious prejudice of Judge Frances Gallegos, she has, to date, failed to recuse herself from hearing evidence on the charges against Plaintiff.
81. Upon information and belief, Judge Frances Gallegos may have utilized similar practices against other individuals not in agreement with or criticizing her campaign or her judicial conduct.

MUNICIPAL LIABILITY CLAIM

82. Plaintiff restates each of the allegations in paragraph 1 - 81 as if stated fully herein.
83. Officials of the City of Santa Fe invited Plaintiff on to the premises of city hall on August 17, 1998 to pick up a letter.

85. Officer Fernandez was employed on a full-time basis as a law enforcement officer by the Santa Fe Police Department.
86. The letter to Plaintiff demonstrated the official policy of the City of Santa Fe.
87. The City of Santa Fe was the moving force behind the deprivation of rights of Plaintiff and the commission of torts against Plaintiff by Officer Fernandez, other named officers and named jail officials.
88. Plaintiff's injuries were a plain and obvious consequence of inviting Plaintiff to city hall for the purpose of delivering the letter.
89. Officer Fernandez was not properly trained by the Santa Fe Police Department to maintain public order at city hall.
90. The Santa Fe Police Department's failure to properly train Officer Fernandez for his duties demonstrated a deliberate indifference to the rights and safety of visitors and invitees to city hall in general and specifically as to Plaintiff.
91. The Santa Fe Police Department's failure to properly train its jail officials for their duties demonstrated a deliberate indifference to the rights, health and safety of persons incarcerated in the Santa Fe City Jail.
